No.C.15015/2/2017 - DC (S)
GOVERNMENT OF MIZORAM
OFFICE OF THE DEPUTY COMMISSIONER
SIAHA DISTRICT, SIAHA
(Judicial Branch)

Siaha, the 13th November, 2025

ORDER

Whereas, there have been cases of suspected waterborne disease in the border villages of Siaha District such as Lomasu and Lodaw. The disease is highly transmittable and is also known to be a life-threatening agent. Inadequate sanitation and lack of access to clean water are the factors causing the outbreak. Commuters with a high rate of mobility across the border are potentially facilitating further spread of the disease. In view of this, it is expedient to take restrictive measures for the wellbeing and safety of the general public in the affected areas;

Now, therefore, I, VL Hruaizela Khiangte, District Magistrate, Siaha District, in exercise of the powers conferred under Section 2 of the Epidemic Diseases Act 1897 and Section 163 of Bharatiya Nagarik Suraksha Sanhita, 2023 hereby order that -

1. Entry and exit to the villages - Lomasu and Lodaw across the border is prohibited.
2. Residents of Lomasu and Lodaw should not move out of their villages.
3. Entry to Lomasu and Lodaw from other villages is prohibited.

The above restrictions are not applicable to medical duty, security duty and any persons who are on emergency duty with the order of the undersigned.

The order is effective from 13th November, 2025 and shall remain in force till 20th November, 2025 or unless withdrawn earlier.

Given under my hand and seal on this 13th November, 2025

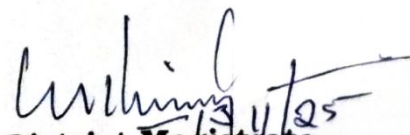

Sd/- VL Hruaizela Khiangte
District Magistrate
Siaha District, Siaha
