3. No person to be registered more than once in any Village Constituency: No person shall be entitled to be registered in the Electoral Roll for any Village Council constituency more than once.

4. Segregation of Electoral Rolls: The Electoral Registration Officer will segregate all parts of the latest electoral rolls of the relevant MDC Constituency into as many parts as the number of the Village Councils contained therein each part conforming to one Village Council after carefully checking out the boundaries of the bifurcated Village Council as notified by the LADC authorities. The Electoral Rolls so integrated, prepared and published in accordance with these provisions may be referred to as the Mother Roll of the Village Council constituency.

6. Electoral Roll not to be divided in parts: The Electoral Roll of a Village Council constituency shall not be divided in parts but shall be numbered consecutively beginning from the number one. If and where there are Sub-Villages in a Village Council constituency, the Electoral Registration Officer may direct to enter the names of the electors locality-wise. This, however, shall not be compulsory but shall be left at the discretion of the Electoral Registration Officer. In any case, the serial numbers of the electors shall be consecutive all through.

7. Access to certain register: For the purpose of preparing electoral roll or deciding any claim or objection to the electoral roll, the Electoral Registration Officer/Asst. Electoral Registration Officer and any person employed by him for the purpose shall have access to any register of births and deaths and to the admission register of any educational institution, and it shall be the duty of every person in charge of any such register to give to the said officer or person such information and such extracts from the said register as he may require.

8. Publication of Electoral Roll in draft: As soon as the segregation and integration of Electoral Roll for a Village Council constituency is ready, the Electoral Registration Office shall publish it in draft, by making a copy thereof available for inspection and displaying a notice in Form – I (*enclosed*):-

The Electoral Registration Officer shall also supply free of cost two copies of each draft roll to every Political Party recognized/registered by the Election Commission of India and proper acknowledgement shall be obtained and kept in record.

Further, two printed copies of the Draft Roll shall be given to each Village Level Officer/Designated Officer with a direction that they shall, without fail, display it at the designated Polling Station for public inspection.

12. Disposal of claims and objections:

The Electoral Registration Officer/Asst. 13. Final publication of roll:

- i) After disposal of claims and objections, the Electoral Registration Officer shall prepare final list of electors and publish the roll, together with the list of amendments, by making a complete copy thereof available for inspection and displaying a Notice in Form – V (*enclosed*) at his Office.
- ii) On such publication of the roll, together with the list of amendments thereof, shall be the Electoral Roll of the concerned Village Council constituency.

The State Election Commission has laid emphasis on preparation of pure and error free electoral rolls through a transparent process. Towards this end, the Commission makes it clear that, ***the convenience of citizens should get precedence over convenience of administration while preparing/revising/updating electoral rolls.*** The Electoral Registration Officers, Asst. Electoral Registration Officers, etc., should, therefore, apply their mind judiciously while accepting or rejecting an application for inclusion of name at a given address on the basis of the documents furnished by the applicant. It is further emphasized that it would be impractical to insist on production of documents in support of address only in the name of the applicant. Reliance must be placed on documents with that address in the name of immediate relation like spouse, parents etc., of the applicant as proof of address and identity. **However, utmost care has to be taken to ensure that there is no abnormal increase or decrease of voters as a result of the revision.**

It must be ensured that only Government Servants who are well conversant with preparation of Assembly/District Council Electoral Rolls are appointed to function as

Village Level Officer (VLO)/Designated Officer (DO) for each Village Council Constituency.

The State Election Commission further directs that the appeals against the decision of the Electoral Registration Officer be filed before the District Election Officer (DEO) & Appellate Authority within seven (7) days from the date of announcement of the decision of the Electoral Registration Officer/Asst. Electoral Registration Officer and appeal thereto shall be decided by the District Election Officer & Appellate Authority. After the Appeals are decided by the District Election Officer & Appellate Authority, list of names should be prepared for printing and publication.

Prescribed forms for claims and objections are enclosed herewith for ready reference.

Enclo: As stated.

Yours faithfully,

(V.L. REMLIANA)
Secretary,
State Election Commission,
Mizoram.
