2. Enrolment Drive and Electoral Awareness Activities:

The following enrolment and awareness activities have been undertaken so far:

- i) Awareness videos and digital content have been circulated to encourage electors to verify their names and particulars in the Electoral Roll and participate in the claims and objections process.
- ii) Seven (7) helpdesks have been established across Mamit District to assist citizens with electoral roll-related matters.
- iii) Continuous enrolment drives have been conducted at the ERO, AERO and BLO (Polling Station) levels to facilitate the enrolment of left-out and young/first-time eligible electors through the continuous updation process.

3. Special Enrolment Drive as per ECI Instructions:

In pursuance of the Election Commission of India's letter No. 23/2025-ERS (Vol.-II) dated 29.09.2026, a special enrolment drive shall be undertaken by the Chief Electoral Officer, District Election Officers and Electoral Registration Officers for the enrolment of left-out and young/first-time eligible electors under the process of continuous updation of the Electoral Roll, following the completion of SIR.

The drive will focus on identifying eligible citizens who have not yet been enrolled and facilitating their registration in accordance with the prescribed procedures.

4. Facilitation of Electors through Home Visits and Document Collection:

As per the instructions of the Election Commission of India, in cases involving unmapped electors and logical discrepancies where notices have been issued, Booth Level Officers (BLOs) shall visit the residences of the concerned electors for the collection of necessary documents and upload the same on ECINet for consideration and decision by the ERO/AEROs. Such electors shall not ordinarily be required to attend hearings at the ERO/AERO offices. Hearings may be conducted in exceptional circumstances, as decided by the ERO/AERO, preferably through online mode using available and convenient communication channels. Where necessary, an elector may authorise any adult member of the family to attend the hearing on their behalf.

5. Special Helpdesks and Camps for Vulnerable Sections:

Adequate helpdesks and special camps shall be organised, as per requirement, to facilitate electors residing in night shelters, labourers, economically weaker sections, homeless persons and other persons requiring assistance in electoral roll-related matters.

These arrangements are intended to ensure that eligible citizens are provided convenient access to enrolment facilities and other electoral services.

6. Continuous Updation and Compliance with Prescribed Forms:

The enrolment of eligible citizens shall continue through the continuous updation process, with particular attention to left-out and young/first-time electors.

Further, the Declaration Form attached to Form-6 shall be used only during the SIR phase. During the non-SIR period, the forms applicable under the Registration of Electors Rules, 1960, shall be used in accordance with the instructions of the Election Commission of India.
